From the Principal's desk…

Athletics Carnival Postponed until next Tuesday 21st June, due to probable more rain and wet ground from this week’s rain creating some safety concerns. The program of events will still be the same as was published in last week’s newsletter and can be viewed on our website. Please ensure your child has:

- a water bottle
- a school hat
- healthy food such as fruit, sandwich etc. (the P&C are NOT providing a food stall for this event)

School sports uniform must be worn. House T-shirts can be purchased at the uniform shop on Tuesday morning if you do not have one already. A school jumper or windcheater might also be needed to stay warm when not competing in the events. All parents/carers are welcome.

No Hat No Play – a reminder that as of Term 3 we will be applying the ‘no hat, no play’ rule during play breaks and for PE. A child who does not have a hat will be asked to sit during the break in an undercover area. This is to ensure that all children are being sun-safe during play times. Children rarely stay undercover for all for their break time and they are at risk if they are outside without a hat. Please support your child by ensuring they have a school hat, mark clearly with their name, every day.

Macleay Island Sports Day: a number of students have been training in both Soccer and Netball in preparation for this terms inter-island sports day. It is a great opportunity for our students to have healthy competition and to mix with our friends from Macleay SS.

Turtle Day will be held next Thursday 23rd June. Students who are not participating will be supervised in a classroom.

Another term has come to a close, which brings us to the halfway point of another school year. One thing I have learned over my years as a chaplain is that the school years go by quickly and before you know it another one is finished in the blink of an eye! That is why it is so important to take advantage of every moment you have as before you know it the moment is gone and time marches on towards something else. We may never get to spend time with the people who surround us now ever again and we certainly won’t be able to live through the same experiences with them! So enjoy it while you are in it and live each moment to the full!

Drumbeat Program
My Drumbeat Group will be doing a special performance in the second week of Term 3. It will be a special time for the performers to showcase what they have learned and it will be a treat for the audience to listen and enjoy. I would like to invite all the parents who have children participating to come along to support your child on the day!

Have a great holiday
