Over the next two weeks our Positive Behaviour for Learning focus will be on students being responsible for making sure they arrive to class clean and ready to learn. We will look at washing hands and faces, how to keep our hair and bodies healthy and why hygiene is important.

It has been pleasing to see students arriving on Thursday prepared for their swimming lessons and ready to give their best – keep it up guys!

A reminder that ALL students require a broad brimmed hat at school – caps are not allowed as they do not provide enough sun protection. Students without hats miss out on playing in the playground and being involved in PE and sports. Hats are available for purchase at the office. If there is any difficulty in providing a hat for your student, please contact the office any let us know.

**HEADLICE** – There has been another outbreak in classes. Notes have been sent home with information on treatment – **PLEASE CHECK YOUR CHILD’S BAG**

**REMEMBERANCE DAY** – Next Friday we will be observing this with 3 minutes silence in class.
